Focused on enhancing the quality of life for families in one of the most diverse and wealthiest areas of the world. Our goal is to bring the best Christian programming that presents the teachings of the Bible home to families in order to create a foundation that strengthens the family bond. *Your message* may be the one message that motivates a non-Christian family or individual to a belief in Christ.

A MISSION FIELD IN THE BACK YARD.

JOIN KAXT-TV1 - In reaching the SILICON Valley, the home of millionaires, and billionaires. Companies like Apple, Google, Cisco, eBay, Intel, Hewlett-Packard, employ tens of thousands from all around the world seeking the American dream and most without a basic knowledge of Christ.
